On the Cover

Iowa State's aspiration is to become the best land-grant university in the nation. The accomplishments of our students, faculty and staff demonstrate that we're making great progress towards that goal.

- We're the birthplace of the world's first electronic digital computer.
- Surya Mallapragada, associate professor of chemical engineering, has been named one of the world's top 100 young innovators by *Technology Review* magazine.
- Iowa State's campus has been ranked as one of the most beautiful in the nation.
- A pizza crust developed by a team of students in food science and human nutrition took first prize in the NASA Food Technology Commercial Space Center product development competition.
- Wrestler Cael Sanderson became the first undefeated four-time national champion in collegiate history, an accomplishment that *Sports Illustrated* magazine says is the second most impressive college sport feat ever.
- Reiman Gardens has been honored as the nation's most outstanding public rose garden.
- *The Cornhusker* sculpture by Iowa State artist-in residence Christian Petersen is now in the collection of the Smithsonian American Art Museum, Washington, D.C.

"Iowa State University does not discriminate on the basis of race, color, age, religion, national origin, sexual orientation, sex, marital status, disability, or status as a U.S. Vietnam Era Veteran. Any persons having inquiries concerning this may contact the Director of Affirmative Action, 1350 Beardshear Hall, 515-294-7612"

Student Billing

Each month you will receive a Telecommunications statement detailing charges and long distance calls. (One resident in each University Family Housing, UFH, apartment is billed for basic service.) The total will appear on your Accounts Receivable Statement, along with any other university charges for that month. This information is available at <http://accessplus.iastate.edu/>.

Charges must be paid monthly to avoid loss of service and incurring a \$10.00 (non-refundable) reactivation charge.

Contact the Telecommunications Office, 271 Durham Center, 294-8585, if your code is lost or stolen!

You are responsible for all calls placed using your authorization code. Do not give this information to anyone!

NOTE: FRAUDULENT BILLING CAN LEAD TO PROSECUTION - It is illegal for a person to charge long distance calls to another person's calling card or authorization code without their permission. Persons placing such calls to avoid payment for service are subject to prosecution and if convicted are subject to imprisonment and/or fine.

Data Network Information

The Iowa State data network serves all campus buildings including Residence Halls and University Family Housing. Users can access on-campus resources such as the Library, Acropolis, and college/department servers. High bandwidth Internet connectivity is also provided. Remote access services are available to the off-campus community utilizing PPP to support applications such as telnet and web browsing.

Connecting to the Campus Network from the Residence Halls

To use Ethernet, you will need the following: **Ethernet Card** (unless your computer has a built-in Ethernet connector). Ethernet cards and cables are available in the Microcomputer Product Center (MPC), 191 Durham Center, or through computer dealers. Items purchased through MPC can be charged to your university account. The Telecommunications Office supports 10BaseT connections in the residence halls.

Communications Software Once your computer hardware is set up for Ethernet, you will need to configure network connectivity software. Assistance is available in the Solution Center, 195 Durham Center, 296-6000.

Connecting to the Campus Network from University Family Housing (UFH)

DSL service is available in each University Family Housing (University Village and Schilleter Village) apartment. DSL is an always-on network connection operating at speeds of 768 kbps. DSL uses the existing telephone wiring. It provides a connection directly to the campus LAN with full access to the Internet.

To use DSL, you will need the following:

Ethernet Card (unless your computer has a built-in Ethernet connector). Ethernet cards (10BaseT) and cables are available in the Microcomputer Product Center (MPC), 191 Durham Center, or through computer dealers. Items purchased through MPC can be charged to your university account.

Communications Software Once your computer hardware is set up for Ethernet, you will need to configure network connectivity software. Assistance is available in the Solution Center, 195 Durham Center, 296-6000.

NOTE

Lightning may damage equipment connected to a power source or a communications jack. The Telecommunications Office is not liable for damage caused by electrical storms. Surge protectors will not guarantee protection. We recommend that you disconnect both the power cord and communications cable during electrical storms.

PPP: Connecting to ISU from Off-Campus

Access to the campus computers and the Internet from your home computer is available through ISU PPP service. Through ISU PPP, users may use email, surf the web, use instant messaging, and download files at speeds up to 56K.

To Establish PPP Service:

1. Open Web browser to:
<https://asw.iastate.edu/cgi-bin/acropolis/request/pppaccess>
2. Enter your Network-ID and password
3. Click on "Login"
4. Read the information about the services, click "Next"
5. Make sure "Activate" is selected and click the "Make PPP Request" button
6. Logout using the "Logout" button

You will receive an email when you PPP service has been activated.

PPP Configuration and software

Documentation for configuring ISU PPP on your computer is available at: <http://www.ait.iastate.edu/network/offcampus.html>

Handouts and personalized assistance are available from the Solution Center, 195 Durham, 515-296-6000.

PPP modem pool numbers

There are two access numbers for the ISU PPP service:

Ames calling area	515-268-4565

The Solution Center

Do you have a question about computing at Iowa State? Then the Solution Center has an answer. We specialize in answers about getting connected to the network at ISU, which can be anything from requesting PPP service to getting help with site-licensed software. The Solution Center also helps students set up e-mail and re-set passwords. The Solution Center offers handouts and advice if you feel like setting up your computer on your own, or you can make an appointment with the SNAP team for help getting connected on campus.

You can contact the Solution Center by phone at 515-296-6000; by e-mail at solution@iastate.edu; or in person in 195 Durham Center. Hours are from 8 a.m. to 5 p.m., Monday through Friday. On the Web, look for us at <http://www.ait.iastate.edu/help/>.

SNAP Team

The Student Network Access Project (SNAP) is here to help students who want to get connected to the campus network. An assistant can go to your on-campus residence to help install an Ethernet card in your computer, configure the card, and help load the networking software. The team also has a drop-off service in the Solution Center, 195 Durham Center. You may leave your machine with the SNAP team and have the setup done there. Off-campus students can also drop off machines to have the computer and modem set up to connect to the campus network through the PPP dial-up service.

SNAP is funded by your student computer fee so there is no charge for standard service. You can contact the SNAP team by phone at 515-296-6000 or by e-mail at snapteam@iastate.edu.

Being involved is one of the more important aspects of your college experience. It enables you to mature personally, socially, intellectually, and spiritually. Involvement enhances your opportunities for career development exposing you to various skills, which will help you when you graduate to find gainful employment. Giving your time and talents to an organization will not only help that group, it will make your college experience a valuable and enjoyable one.

If you are interested in one of the organizations listed in this section go to the Student Activities Center Webpage at <http://www.sac.iastate.edu> and click on GET INVOLVED. There you will be given information about each organization and how you can get in contact with them.

Iowa Voter Registration Application

Voter Qualifications:

To register to vote in Iowa, you must:

be a citizen of the United States

be a resident of Iowa

be at least 17 1/2 years old (you must be 18 to vote)

not have been convicted of a felony (or have had your rights restored)

not currently be judged "mentally incompetent" by a court

give up your right to vote in any other place.

Deadlines for registering to vote are 10 days before a primary or general election; 11 days before any other election. You may register after the deadline, but your registration will not be effective until after that election. Normally, an application must be received by the deadline in order to be valid for the election. However, if your registration is postmarked at least 15 days before the election, it will be accepted for that election even if it is received after the deadline.

Registration is permanent. After you register, you do not have to register again unless you move to a new address.

Instructions:

1. Use this form to:

(a) Register to vote; or

(b) Report a change of name, address, telephone number or party affiliation.

2. Use a ball point pen to fill in all the blanks on the form.

3. Carefully cut out the form with scissors.

4. Address an envelope to:
Commissioner of Elections
Courthouse
(your county seat), IA (zip)

5. Insert the completed form - be sure it is signed - into the envelope, affix first-class postage, and mail.

6. You should receive a receipt of this application within 14 days. If you do not, contact your county auditor.

Privacy Act Notice: Disclosure of your social security number on this voter registration application is voluntary. It is requested by authority of 1994 Iowa Acts, SF 2223. Failure to provide the number will have no effect on your right to register or your right to vote. If you provide your number, it will be used to help avoid multiple registrations for a single individual. It may also be disclosed to those who purchase lists of registered voters and to those who view original voter registration records, which are public records under Iowa law.

Student Alphabetical Listings

Information in the student section of the university campus directory is taken from data supplied by the students to the university prior to September 9, 2002. Students who do not wish to have directory information published must file notice in the Office of the Registrar within the first 10 calendar days after the beginning of the fall semester. The university assumes that failure on the student's part to specifically request withholding directory information indicates the student's approval for the disclosure.
